

Kingsley Village Hall

Newsletter Autumn 2014

whatsOn...

Want to know what the hall has to offer? Then turn over to see what's on and when.

Funding for the hall

We have recently been awarded money from the Co-Operative which we will use to renovate the old toilet block and create a small meeting room from the existing store room.

Want to hire the hall?

If you are interested in hiring the hall please visit the web site where you can find current rates and available dates.

Garden

We are creating a small garden at the hall and have replaced the wooden bench with a steel one. A great place to watch the world go by !

Xmas Turkeys

Want a local free range turkey for Christmas ?

Then call Mark Davies at the Old Rectory on 07970 696867.

Mention the newsletter please when ordering.

Welcome

to this our second ever newsletter. Our first in the spring was well received and we hope this is too. Whether we continue publishing a newsletter after this one depends on funding, someone to deliver them and also volunteers coming forward to help with editing and the like. As they say over to you ! In this issue we have news of the halls first ever concert, another breakfast event and some funding news.

Breeze and Wilson

are a well known acoustic duo who perform across the midlands and further afield helping hall's like ours raise funds.

They perform at the hall on

Friday 26th September.

Doors open 6.45pm for 7.30pm.

Toby (Wilson) comes from Foxt and after the school closed there came to St Werburgh's school here in Kingsley. Perhaps we should call it the 'homecoming concert' ?

There is a licensed bar courtesy of Dave Parkes at the Blacksmith's in Kingsley Holt.

Tickets are on sale now via the website, at a cost of £5.00 by calling Alison on the mobile number listed on this newsletter or by calling Martyn on 01538 750657.

2015 Calendar

Last autumn the hall along with St Werburgh's Church produced a calendar for 2014. We are considering doing it again but require page sponsors and of course photo's for each month.

If interested in either sponsoring a month or in submitting a photograph please get in touch.

Christmas Lights !

Yes its that time again and the hall will be running its lights event on

Friday 5th December.

There will be the lights switch on, Christmas Carols, mulled wine and much more.

Come along - everything starts at 6pm.

Autumn Family Breakfast
