**Welcome** to this our latest newsletter detailing events and news from the village hall. In this issue we update you on the World War 1 project, our third Christmas Lights event and the success that was the Breeze and Wilson concert. We also detail what we have planned for 2016

### Christmas Lights

fast becoming a fixture at the hall this years event promises to be the best ever. Held on **Friday 4th December at 6.30 pm** When the lights on the tree will be switched on. We hope to have carol singers, mulled wine, mince pies and a fantastic night. Guest of honour this year will be County Councillor Mike Worthington a long time supporter of the hall. Entry is free. For more details please check out the halls website and Facebook page.

### World War 1 Project

The project continues to make good progress. Lots of interesting information has been unearthed but the most obvious impact has been around the war memorial which has had a makeover in time for this years Remembrance Day. A book will be published in 2016 to record the results of our research. Please do visit the website [www.kingsleyremembers1914.org.uk](http://www.kingsleyremembers1914.org.uk)

### Fundraising Calendar

2016 sees the hall's second ever calendar aimed at raising funds for the hall. We are very grateful to JCB who have been of great assistance in terms of production costs. We are also grateful to two talented photographers Steve Bailey from the village and Andrew Nixon both of whom have donated this years images. Priced at £4.99 it will be on sale from early November. ### Want to be a Parish Councillor ?

Following May's elections there are three vacancies on the Parish Council - two in the Kingsley Ward and one at Whiston. There is no election process you just need to apply. Got some time to spare to give to the wider community? then contact the clerk via the hall website

**Events planned @ The Hall for 2016** we aim to do another Easter Breakfast event at the end of March and then if we can, put on another concert at the hall this time with a fresh group (but still with a wide appeal) Towards the end of the summer we will be looking to do an event but different from previous events-got any ideas? Then let us know. The World War 1 Project will be concluding their project in 2016 with a formal end of project event which may be at the hall.

All these events not only sustain the hall's future they also sustain the community in which we live.

We look forward to seeing you soon!

### Railway Inn Froghall

Following a makeover the premises look great with a railway themed logo and a bright and airy feel inside. Dave and Anita have carried on where they left off at the Blacksmith's doing great value food and having a host of decent beers on tap.

The bed and breakfast is also doing well. With the help of the village hall they now have a defibrillator and hope to fundraise up to and over Christmas to pay for a secure cabinet to make it available 24 hours a day.

They hope to launch a new website at the end of November just in time for the run up to Christmas.

**Find them on Facebook and Trip Advisor for now or call 01538 752863**
