Welcome

to this our latest newsletter which is mostly devoted to our Wakes 2017 Community Event on Saturday 17th June 2017. First and foremost the event is **FREE** to enter with many attractions **FREE** or heavily subsidised following our celebrate Lottery Fund award.

So what's all this Wakes thing about ?

Well, quite simply the committee felt the Celebrate fund was just the sort of opportunity we should take up. It's designed to bring communities like Kingsley together to enjoy all what's good about this part of the Churnet Valley. The loss of shops and amenities tends to fragment communities but there is still lots to shout about Kingsley and the area generally. The Church and village hall remain focal points and there are signs of rejuvenation in parts of the area such as Froghall Wharf and the like. Our aim for the day is to appeal to as many people across the whole of the community from young to old and in between. To find out what's on please see the adjacent column.

What's on @ The Wakes 2017

Saturday 17th June

The event runs throughout the day from around 12 noon.

We aim to have a BBQ, coconut shy, quoits, face and nail painting and a bouncy castle for the younger ones.

In addition there will be competitions to win a jar of sweets, a Kingsley Treasure map game where you can win the treasure and guess the name of the Teddy Bear to take him/her home.

There will a crafts demonstration and in the hall there will be stalls selling crafts, handbags, scarves and fashion accessories.

Other attractions are still being worked on but the aim is to have a great family day out in the heart of the village.

Also, Allison Held from Kingsley Holt will be running a tombola stall to raise funds for her bike ride to Paris on behalf of the Royal British Legion.
